Hi Eric,

That email went out on Wednesday. In fact I have had a member of the EPA team indicate that they would be attending via the web. I can resend the email. Do you want it to be resent to you or everyone?

At this time there are 12 slots as Sue McCarthy and Jennifer Peers have identified that they would participate using the web service..

We are working with other consultants to see if there is a program we can use that will allow for more attendees. If that is possible that link would be provided on Monday.

Thank you,
Jen Woronets

Subject: Web Meeting Details

Jennifer, I keep getting questions about the web meeting details. Monday is a holiday for us so it would be helpful if we could get the information today. In addition, it would be helpful to know how many slots we have for planning purposes.

Thanks, Eric
